## Double Wire Panel System

The Protek 656 mesh fence system provides a very versatile mesh fence that is stronger than the Protek single wire systems. This system offers a number of different applications including industrial estates, retail parks, industrial buildings, playgrounds and is also particularly suitable for use around sport enclosures. This is a flat panel system using twin horizontal wires 6mm in diameter, welded to a 5mm vertical wire. The panel is secured to the post with either plastic or metal clips.

### Product and Finish Standards

- Mesh panel wire manufactured to BS 4102 and galvanised to BS EN 10244-2:2001 class D, weld strength is 75% of the minimum tensile strength of the wire (tensile range 540-690 N/m<sup>2</sup>)
- Post material manufactured to BS EN 10210-2:1997 and galvanised to BS EN 10346:2009
- Panels & Posts are powder coated to BS EN 13438:2005 (min 100micron)

### Posts, Clips and Fixings

The posts and clips that Alexandra Security Limited offers provide a fixing system which secures the panels but allows for variations. The system is easy to install and allows the panels to be stepped, helping the fence line to follow the contours of the ground. With the vandal resistant security fixings this post and clip system provides a reasonable level of security to any boundary.

### Options

- Plastic or metal clips
- Panels can be inverted to create flat top option
- Other heights available on request

Nominal Fence Height (m)	Panel Size Height x Width (mm)	Overall Length of Post (mm)	Post Size (mm)	Number of Clips	
				Per Post	Per Corner
1.0	1,030 x 2,506	1,600	60 x 60	3	6
1.2	1,230 x 2,506	1,850	60 x 60	4	8
1.8	1,830 x 2,506	2,400	60 x 60	5	10
2.0	2,030 x 2,506	2,700	60 x 60	6	12
2.4	2,430 x 2,506	3,200	60 x 60	7	14
3.0	3,030 x 2,506	3,900	60 x 60	8	16

Subject to change

- 1 Mesh panel - mesh size 200 x 50mm. 1 x 5mm vertical and 2 x 6mm horizontal wires.
- 2 Post Sizes - 60 x 60mm SHS
- 3 M8 x 30 Stainless steel security screw
- 4 60 x 60 Post cap
- 5 Durable Plastic Clip, or can be substituted for a metal clip
