

Protek[®] Spectator Rail

SPORTS PERIMETER RAILINGS

An ideal boundary fence solution for running tracks, tennis courts as well as rugby, football, hockey, or cricket pitches, Alexandra Security Spectator Rail ensures that visibility is not obscured, while creating a strong perimeter barrier around the edge of the sports area between the players and spectators.

The top railing of spectator rail gives a strong area to lean upon, while the lower mesh fence area prevents balls from escaping the pitch, and provides a solid area where advertising boards can be attached.

SUITABLE FOR:

- Running Tracks
- Sports Pitches
- School Fields
- Non-League Football

Other RAL colours available as special order

Product Technical Information

- Panels:**
- Mesh size 200 x 50mm.
1 x 6mm vertical and 2 x 8mm horizontal wire.
 - Manufactured to BS 4102 and galvanised to BS EN 10244-2:2001 class D.
 - Weld strength is 75% of the minimum tensile strength of the wire (tensile range 540-690 N/m²).
- Posts:**
- Dig-in posts. Post size 1.8m high (0.6m in the ground).
 - Post material manufactured to BS EN 10210-2:1997 and galvanised to BS EN 10346:2009.
 - Supplied with plastic cap.
- Railings:**
- Railing diameter 48mm
- Fixings:**
- Clamp Bar: 40 x 5mm (full length of mesh panel).
 - M8 x 40 Fourtress tamper resistant hardened steel security screw.
 - Rubber backstops are available for all fixings for anti-vibration.
- Finish:**
- Panels, Posts and Railings are galvanised before being powder coated to BS EN 13438:2005 (min 100 micron).
 - Available in all standard RAL colours.
- Post Options:**
- Panel can be replaced with an 868 Rebound panel for extra ball return properties.
 - Optional kickboards for hockey and cricket.

POSTS & FIXINGS

The post and full-length clamp bar system provides a secure fixing solution that holds panels firmly in place while still allowing for flexibility. Easy to install, the system enables panels to be stepped and adjusted to follow the natural contours of the ground. With vandal-resistant security fixings throughout, this post and clamp system offers a higher level of security than a traditional clip-based alternative.

We are able to offer a 15-year guarantee, covering the performance and appearance of our mesh fencing systems. Giving you added confidence when specifying an Alexandra product.
